STUDY PROGRAM

PEREGIAN BEACH COLLEGE

Peregrin Beach College offers a unique full-time academy program that seamlessly integrates rigorous academic education with intensive training.

This program is designed to ensure that students receive a comprehensive education without compromising on either their academic or training commitments.

The curriculum is delivered by highly qualified and experienced academic staff, ensuring high-quality education standards.

As an independent school, Peregrin Beach College operates under the regulations and standards set by Independent Schools Queensland (ISQ).

This organisation oversees independent schools in the region, ensuring they meet educational standards and maintain a high level of quality in teaching and learning outcomes. The college's innovative approach allows students to pursue their passions while achieving academic excellence.

SCHOLARSHIP PROCESS

Tier One Sports Scholarship - 100%

Eligibility:

- Selection Process: Lead coaching staff will determine eligibility based on a combination of practical assessment and a written submission outlining the applicant's previous level of representative performance in their relevant sporting code.

Benefits:

- Academic Coverage: Full coverage of academic school tuition fees. (excluding levies and academy fees)

Conditions:

1. Attendance Requirements:

- athletes must maintain an attendance rate of at least 90%.
- Falling below this threshold will result in demotion to a lower Tier Scholarship for the following year.

2. Behavioural Expectations:

- The Sporting Director the School Principal have the authority to demote an athlete's scholarship as a result of school external suspension or consistent poor behaviour.
- During periods of suspension, athletes are not allowed to participate in any organised games or school-hour training sessions.

This scholarship is designed to support high-performing athletes both academically and athletically, ensuring they uphold high standards in all areas of their participation.

3. Review / Demotion:

- Each athlete will have an annual performance review conducted by the Lead Coaching staff, in which a technical and sports science report will be provided.
 - If a Lead Coach indicates that an athlete is underperforming and not meeting expectations, then a recommendation may be made by the Lead Coach for demotion into a lower Tier or removal from the program. The Sporting Director will review the recommendation and if satisfied with the assessment, it may be presented to the Sports Club Board for consideration / approval at the student's annual scholarship review.
- The process for demotion and exclusion will take place annually, with written notice being provided within the last term of the school year (Term 4).

Tier Two Sports Scholarship - 80%

Eligibility:

Selection Process: Lead coaching staff will determine eligibility based on a combination of practical assessment and a written submission outlining the athlete's previous level of performance within their sporting code.

Benefits:

Academic Coverage: 80% coverage of academic school tuition fees (excluding levies and academy fees).

Conditions:

1. Attendance Requirements:

- Athletes must maintain an attendance rate of at least 90%.
- Falling below this threshold may result in the athlete being placed in a lower Tier Scholarship program.

2. Behavioural Expectations:

- The Sporting Director and/or School Principal have the authority to demote an athlete's scholarship as a result of school external suspension or consistent poor behaviour.
- During periods of suspension, players are not allowed to participate in any organised games or school-hour training sessions.

This scholarship aims to support athletes who demonstrate strong potential and performance, while also maintaining high standards of attendance and behaviour.

3. Review / Promotion - Scholarship:

- Each athlete will have an annual performance review conducted by the Lead Coaching staff, in which a technical and sports science report will be provided.
- If a Lead Coach indicates that an athlete is performing well and exceeding expectations, then an application can be made by the Lead Coach for possible promotion to the Tier above. The Sporting Director will review the recommendation and if satisfied with the assessment it may be presented to the Sports Club Board for consideration / approval at the student's annual scholarship review.
- If a Lead Coach indicates that an athlete is underperforming and not meeting expectations, then a recommendation may be made by the Lead Coach for demotion into a lower Tier or removal from the program. The Sporting Director will review the recommendation and if satisfied with the assessment, it may be presented to the Sports Club Board for consideration / approval at the students annual scholarship review.
- The annual review will be in addition to the termly reviews.
- The process for promotion /demotion will take place annually, with written notice being provided within the last term of the school year (Term 4).

Tier Three Sports Scholarship - 50%

Eligibility:

Selection Process: Lead coaching staff will determine eligibility based on a combination of practical assessment and a written submission outlining the athlete's previous level of representative performance in their relevant sporting code.

Benefits:

Academic Coverage: 50% coverage of academic school tuition fees (excluding levies and academy fees).

Conditions:

1. Attendance Requirements:

- Athletes must maintain an attendance rate of at least 90%.
- Falling below this threshold may result in the scholarship being removed.

2. Behavioural Expectations:

- The Sporting Director and the School Principal have the authority to remove an athlete's scholarship as a result of school external suspension or consistent poor behaviour.
- During periods of suspension, athletes are not allowed to participate in any organized games or school-hour training sessions.

This scholarship supports athletes with significant potential while emphasising the importance of maintaining high attendance and exemplary behaviour.

3. Review / Promotion - Scholarship:

- Each athlete will have an annual performance review conducted by the Lead Coaching staff, in which a technical and sports science report will be provided.
- If a Lead Coach indicates that an athlete is performing well and exceeding expectations, then an application can be made by the Lead Coach for possible promotion to a Tier above. The Sporting Director will review the recommendation and if satisfied with the assessment it may be presented to the Sports Club Board for consideration / approval at the student's annual scholarship preview.
- If a Lead Coach indicates that an athlete is underperforming and not meeting expectations, then a recommendation may be made by the Lead Coach for removal from any scholarship provision and may become a full fee-paying development athlete. The Sporting Director will review the recommendation and if satisfied with the assessment, it may be presented to the Sports Club Board for consideration / approval at the student's annual scholarship review.
- The process for promotion and exclusion will take place annually, with written notice being provided within the last term of the school year (Term 4).
- An annual review will be in addition to the termly reviews.

APPLICATION PROCESS

● Application

Parents / Guardians submit the last 2 academic reports from current educational institution.

Following submission and sign-off of academic reports from College Principal, a tour and meeting with Sporting Director, we will send you an official application form to complete and return.

● Practical Trial

The application process for the full-time football academy program at Peregian Beach College includes a practical football trial. This trial is a crucial component, as it allows experienced staff to assess the skills and competence levels of each aspiring athlete. Based on the evaluation, these staff members will provide detailed feedback to the Sporting Director, who then determines the appropriate level of scholarship to be offered.

There are three levels of scholarships available:

1. 100% Funded Academic Tuition: This scholarship covers the full cost of academic tuition fees, excluding additional levies and training fees.
2. 80% Funded Academic Tuition: This scholarship covers 80% of the academic tuition fees, with the remaining 20% to be paid by the student, along with any additional levies and training fees.
3. 50% Funded Academic Tuition: This scholarship covers 50% of the academic tuition fees, with the student responsible for the other half, as well as any levies and training fees.

These scholarships are designed to make the program accessible to talented athletes by significantly reducing the financial burden associated with tuition. For more detailed information, prospective applicants are advised to refer to the next page or contact the college directly.
