

26 & 27 July 2024

**Prep, Year 1 & Year 2
AT THE KELLY LIBRARY**

Over 50 toys arrived for PBC's first library sleepover.

First things first; all toys had to sign in.

Miss Tania gave the toys some tips on how to have the best library sleepover – have fun and meet some new friends. This was going to be easy and FUN!

Miss Tania asked "What are you doing?"

The toys answered "Making a soft toy pyramid. We've seen humans make human pyramids and we thought we could make one too"

The Squishies were at the bottom of the pyramid pile and didn't mind getting squished.

As it turns out toys **LOVE** a game of

The weather was perfect, all the toys went outside to the garden to play together.

What a great game to play to make new friends.

It's spa time for the squishes! They were pampered whilst listening to Miss Tania softly read *Give Me Space* and *An A-Z of Dreaming Differently*. Very relaxing!

The other toys read books. See if you can spot your toy! What book is it reading?

PIZZA PARTY TIME

Amore Pizza in Coolum provided us with so much pizza.

The toys' tummies were full!

HIDE AND SEEK
Miss Tania took a very long time to find all of the toys because they were excellent at finding the best hiding spots.

Can you find your toy?

DISCO DISCO

To liven the toys up after the soothing spa, reading and a cunning game of Hide and Seek they grooved to some cool disco tunes. There was even a prize for best dance moves.

After their pizza and dance party the toys relaxed and enjoyed watching *Toy Story*. They all filled up with popcorn.

When Miss Tania wasn't listening the toys quietly planned what mischief they could get up-to when she was asleep.

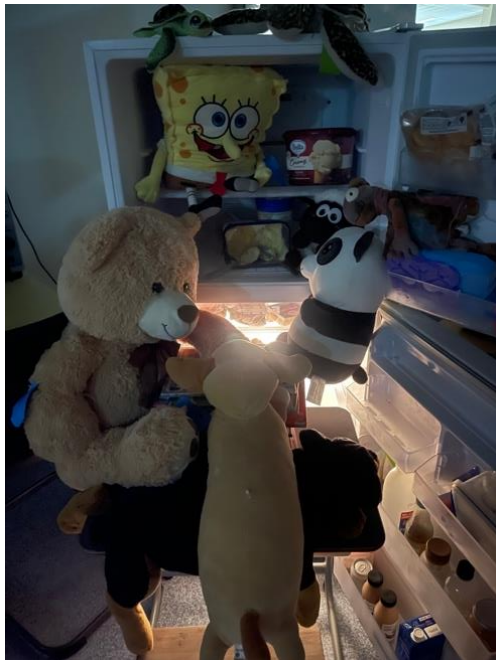

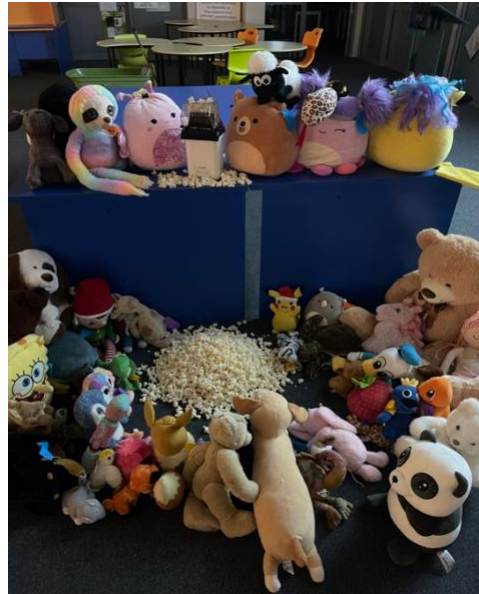

Miss Tania read the toys a bedtime story called
Midnight at the Zoo.
It made some of the toys sleepy.

The toys were all very cosy and warm in the Book Nook.
The toys helped Miss Tania put the teepee up and build the fort.

Some of the toys fell asleep before the story was over.

As soon as Miss Tania fell asleep, some toys agreed to have a little midnight fun. You can see how much they love popcorn and ice-cream. How did Shaun get stuck in the photocopier?

The toys had breakfast all together on Sunday morning outside in the sunshine.

Miss Tania discovered that soft toys all love to eat bread and honey.

Damo The Builder was happy, luckily when he needed some help the toys came to the rescue.

Sunday morning arrived too quickly and it was time for Miss Tania to farewell the adorable toys.

Thank you, Amore Pizza Coolum, for feeding our toys!

Thank you children for allowing me to spend time
with your toys over the weekend.
They were well behaved (well... mostly!)
We had so much fun in the library, we played games,
read many books, treated ourselves to spa treatments
and ate far too much popcorn together.

What a wonderful time we all had!

Best wishes
Miss Tania
