

Year 2 – 6 Student iPads 2024

We are an Apple Device School and Students need to have the following device.

Years 2 – 6 Student iPads that are:

1. 2022, 2023, 2024 and 2025 Models
2. Have 256gb storage minimum
3. Wi-Fi version (4G Cellular not needed)

These Apple iPads are able to run the latest iPad OS18 which enables the latest apps to be used.

[iPads are Not to be loaded with personal movies, games or data.](#)

iPad Minis are Not recommended since the screen size is a little too small when typing with the keyboard or doing large amounts of work.

In addition to the iPad itself, we also recommend the purchase of some additional items to protect your investment:

- Screen protector
- Cover/case
- Extended warranty
- Stylus

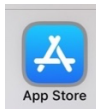

Retailers have different packages, so it is worth shopping around to get the best deal.

When choosing your next device, please also check the refurbished section of Apple's website for great bargains and deals on different models. and deals on different models. Also the School Locker is an option - see link on PBC website or below. <https://theschoollocker.com.au/schools/peregrin-beach-college/technology>

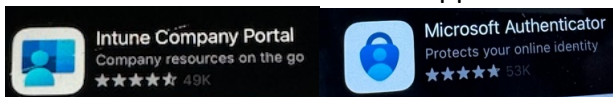

Student ipads will require "Microsoft Authenticator and Intune Company Portal "apps below to have been downloaded on your Students ipad.

iPad Apps:

Go to the App store on your iPad using your apple ID:

Make sure to download these 2 apps:

All Students are also bound by the *ICT Acceptable Use Policy* which can be found on our website. If you have any questions, please do not hesitate to contact the College.
